

Participating in Participation Network Event

Network Structure Outcomes

Proposed questions:

How could you, or your organisation, help support/drive the Network?

Other suggestions for agenda items to cover / for the Network to cover?

Care friendly schools/organisations

Put learning into practice

Influence improvement opportunities

Engage participation work in our organisations – use network to inform our practice

Work in collaboration with network members

Use social media to promote the network

Look for opportunities to involve yp/service users in the network

Guest spots during meetings to highlight learning/practice

Independent care review – what is their role?

Push participation agenda throughout our organisations

Practical help – rooms? Venue? Email co-ordination?

Own twitter account?

Tour the country

Should it be weekend residential? Overnight?

Every “professional” should bring a “client/service user/young person”?

Need to include education, social work, corporate parents, residential staff, local councils, sport, and 3rd sector.

Att4ndees – they should have name badges that say where they are from

Could/should the network discuss/share resources?

Proposed questions:

How could you, or your organisation, help support/drive the Network?

Other suggestions for agenda items to cover / for the Network to cover?

Spread the word to young people – spreading the word to youth link Scotland (youth work sector).

Different methods and resources to share

Having more equalities groups

Sharing everyone's expertise and experience

Keep relationships ongoing

What is the next steps? Where is this going?

Wider than Edinburgh and Glasgow

Start discussing an online platform

Legacy, beyond the Year of the Young People.

Practical support

Children's commissioner

Resources to share

Work with partners, children and young people to tell them about the networks so that C2YP fully understand their rights.

YouthLink Scotland

Information to youth work sector

Links to national conference 20th Nov – theme: Participation

The participative Democracy Certificate – 20 hours SQQF5

National policies + strategies

National Youth Work Outcomes

Care Inspectorate

Work all over Scotland

Have care experience YP to talk to YP

YIV involved in planning meetings

Who Cares? Scotland

Spread word to care experience young people

Volunteering and mentoring programme

Advertisement

Sharing experiences

Social activities for YP from different organisations

Representatives from each organisation form a steering group

Sharing ideas

Share opportunities

Collaboration

Sharing resources and data

Sharing experiences and skills

Day of presenting what everyone does and sharing what works and what hasn't worked

Networking opportunities

Sharing network with others

Using social media to stay in touch (but not only social media)

We can all contribute to conversation and support change

Rights and participation (Scot Govt)

Being the link between network and scot govt.

Sharing info from network to govt and govt to network

CHS reps

Take learning back to CHS

Hear what young people think to make change

Proposed questions:

How could you, or your organisation, help support/drive the Network?

Other suggestions for agenda items to cover / for the Network to cover?

Inequalities lens

Challenging barriers to participation (e.g. hierarchy with organisations)

Organisations fund young people to come?

Help embed children's rights perspective in Network

Promotion and raising profile

Get more young people involved and designing the whole thing

Committed to change/outcomes – turn up ready to contribute

Respecting and supporting and challenging others in the network

Starting point: sharing learning – we need to agree what the priorities are and purpose

Long term influencing

Move around the country

Should we widen the scope of who is involved?

Links to the care review?

Working groups?

Get aims nailed soon

Develop framework for standard of participation

It is embedding participation or a space to hear yp's voice
